www.enelka.com.tr

Led, büyüleyen ışığı, verimliliği, uzun ömrü, renk çeşitliliği ve çevre dostu olmasıyla, herkesin ilgi odağı. Fakat led teknolojisinin bu özelliklerinden en yüksek verimle faydalanabilmek için, bu ürünlerin dünya standartlarında üretilmiş olması gerekmektedir.

Sektörün artan cazibesıyla, ürünleri daha ucuza satarak rekabet etmek adına yapılan bilinçsiz ithalat ve uygulamalar ne yazık ki tüketicilere ciddi zararlar veriyor.

Biz bu tür yanlışlara düşmeden yurtdışındaki gelişmeleri izleyerek yeni teknolojileri dünyayla eşzamanlı olarak Türkiye'ye getiriyoruz. Çünkü amacımız piyasadaki kaliteyi sürekli olarak daha yükseğe taşımak.

Hayal gücü sınırlarını aşan uygulama alanlarıyla devasa bir dünya olan led aydınlatma sektöründe kalıcı olmayı hedefledik.

İşini gerçekten seven ve disiplinli çalışmayı prensip edinmiş ekibimizle, bahane değil çözüm üreterek sektörümüzde emin adımlarla ilerliyoruz.

Teknik ayrıntılarla sizi sıkmadan, samimi olarak kendimizi biraz tanıtalım istedik. Farkımızı konuşarak değil ürünlerimizle göstermeyi tercih ediyoruz.

Bizimle olan ve bize güvenen herkese çok teşekkür ederiz. Hep birlikte daha nice yıllara kavuşmak ümidiyle, varolun...
